

## The Demo Environment Programme

**Category:** Finance

**Sub-Category:** Grant Funding

**User:** Project Developers

**Donor:** Swedish Agency for Economic and Regional Growth

**Donor Countries:** Sweden

**Description:**

Local actors receive financing to help them import technologies which offer solutions to local environmental challenges. Open to purchasers of environmental engineering in any of the partner countries and contractors/organizations with new environmental technology interested in partnerships in one of the partner countries. Environmental technologies must be adapted to local conditions.

**Locations:** Kenya, Mozambique, Tanzania, Zambia

**On- or Off-Grid:** Not Specified

**Geography:**

The program will be implemented in 11 of Sida's cooperation countries, of which the following in Africa: Kenya, Mozambique, Tanzania, and Zambia.

**Eligibility:**

Swedish companies that want to apply must have an established partnership with a company/organization in the selected country. The technology must help solve an environmental problem, being new to the country and adapted to local conditions/appropriate.
